■ Overview of Our Policies

Safety and Security

In order to protect children throughout the day we employ stringent security procedures designed to prevent unauthorised access to the Nursery. Please assist us in implementing these by closing and securing the door behind you and by not opening the door for other “parents”. Nursery staff are instructed not to release your child to any person who has not previously been advised to us in writing and is known to them or able to produce acceptable identification. If an emergency makes it necessary for your child to be collected by someone not on the list then you must contact the Nursery as soon as possible so that we can agree arrangements with you.

Sickness and Medication

At the Nursery we work very hard to minimise the spread of illnesses and infections; to help us please do not bring your child to the Nursery if they are unwell. A copy of the incubation and exclusion periods for the most common childhood illnesses is available in the Nursery for your information. Please do not return your child to the Nursery before the end of the recommended exclusion time. We reserve the right to decline to admit children who are unwell. If your child becomes unwell during the day we will try to contact you to advise you of the problem and if necessary ask you to collect your child. We fully understand the demands placed on working parents but we ask that you try to come as soon as possible after requested, as we shall only ask if absolutely necessary. If your child is unable to attend, please telephone the Nursery as soon as possible to advise of the problem.

The Nursery is permitted to administer certain prescribed medicines to children, for example, inhalers and other similar regular courses of treatment. Should your child be prescribed a regular medication or treatment, then please inform the Nursery Manager at the earliest opportunity. There is a comprehensive administration of medicines procedure in place for staff to follow. Parents whose children are prescribed medicines should familiarise themselves with the procedure that the staff will follow and the Nursery Manager will make a copy of the procedure available on request. Please make sure that you keep us fully informed in writing of all allergies that your child may have or develops.

Safeguarding Policy (Child Protection)

All children within the care of Fledgelings Day Nursery will be monitored. Parent/child interaction will be noted. If a child enters the nursery with visible bruising parents will be informed that this has been noted and encouraged to discuss the cause. Any child that informs a member of staff of physical/emotional abuse or neglect will professionally report their findings to Sarah Porter whom deals with child protection matters within the organization.

Behaviour Policy

At Fledgelings we believe that children flourish best when their personal, social and emotional needs are met and where there are clear, developmentally appropriate expectations for their behaviour. It is our belief that children should be free to play and learn without fear of being hurt or unfairly restricted by anyone else. Our aim is to maintain a behaviour policy which is supported and followed by all children, staff and parents/carers. To create, through positive role-models and attitudes, a caring, family atmosphere in which teaching and learning can take place in a safe and happy environment. To teach, through the Early Years Foundation Stage, values and attitudes as well as knowledge and skills. We aim to teach children to behave in socially acceptable ways and to understand the needs and rights of others. To promote and encourage good behaviour by providing a range of rewards for

the children. To make clear to children the range of sanctions that will follow misbehaviour. To encourage consistent, collaborative and co-operative behaviour management between and across year groups. To work in partnership with parents.

Equal Opportunities:

We welcome children from all ethnic groups, cultures, religions and family groups. We welcome children and their families who have English as an additional language. We aim to give positive images of other cultures using various methods, including celebrating different festivals and incorporating multicultural play into our themes and activities. We provide a good selection of multicultural toys and equipment, pictures and photographs of people from other countries and cultures. Parents are encouraged to come and tell stories or sing songs from their own country or in their own language. The Nursery has an equal opportunities policy which the Crèche and Nursery adheres to. You can get Further Information regarding Policies from our website: www.fledgelingsdaynursery.co.uk or we have a policy folder in the nursery office.

Mobile Phone Policy

In light of recent events in regard to safeguarding children and the use of mobile telephones, within the nursery setting. Fledgelings Day Nursery had put the following policy into place.

- All staff must ensure that their mobile telephones are left inside their bag or locker during working hours.
- Only the manager and deputy manager can have their mobile telephone to hand during working hours.
- When on outings the nurseries own mobile telephone will be used, these telephones do not have a camera incorporated into them.
- If any staff member has a family emergency and require to keep their mobile close at hand then senior management must be consulted and give permission for this to happen.
- Under no circumstances must cameras of any kind be taken into the bathrooms with prior consultation with management.
- At all times the camera must be placed in a prominent place where it can be seen.
- All cameras in the nursery including those on staff mobile telephones can be subject to scrutiny at any time by the safeguarding officer or senior manager.
- Any staff member, volunteer or student found to be none compliant with this policy would face disciplinary action.
